

A big hot tub lets you stretch out all the way.

Stressful days fade away when you're kicked back in the big, beautiful Burlington spa with its cascading waterfall. The therapy lounge brings home one of the many benefits of big hot tubs - soothing spa hydrotherapy for the whole body. There's a spacious, jetted footwell, and a selection of 25 therapy jets that have been strategically positioned to relax you and all the lucky people you've invited over. Favorite features, like foot dome jets, an ergonomically designed lounge, an elegant waterfall, molded beverage holders, and comfy pillow headrests are all standard, making the well-appointed Burlington a big hot tub that's also big on value!

Burlington, Vermont, with its towering maple trees and inspiring views of Lake Champlain, is the namesake for this Sundance spa. The Burlington spa seats up to six adults. Somebody's got to enjoy it. Why not you? [See how easy it is to own a Sundance spa.](#)
