

## Sundance Certa

A quality spa means a quality experience. You get both with a Sundance Certa spa. Superior spa hydrotherapy starts with the soothing sight and sound of the AquaSheer waterfall. Then lean back. The Accu-Ssage spa therapy seat reaches the sensitive pressure points in your back, neck and shoulders with a customizable, adjustable-jet hydromassage. Listen to music while you relax. Built-in micro-speakers are part of the marine-grade SunSurround stereo option, which includes an MP3 jack, CD player, and AM/FM radio, too. No need to choose between great hydrotherapy and high performance when you're shopping for a hot tub. Choose a Sundance Certa spa and get it all.
