

MAXXUS

Step up to the Sundance Maxxus

The ultimate Sundance hot tub. The Maxxus spa. The precedent-setting Maxxus continues to live up to its reputation as the most luxurious portable hot tub in the world. The best of everything in a hot tub is here: a full-body lounge complete with wrist jets; a foot dome with eight massaging jets; patented Fluidix jets for the neck: 57 jets in total. At night, the SunGlow LED lighting system illuminates this gracefully styled, spacious spa. The new slim designed foot mount combined with a wider foot well is designed for easy movement into and out of the ergonomically designed seats. As both an outdoor entertainment center and a therapeutic spa retreat, the Sundance Maxxus stands alone as the luxury leader. [Discover how easy it is to own a Maxxus.](#)
