

Sundance Optima Hot Tub

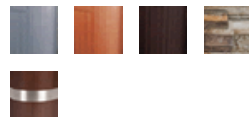

Sundance gives you plenty of reasons to entertain at home. The award-winning Sundance Spas Optima will beautify your backyard, with AquaTerrace waterfall and SunGlow LED lighting that cycles through a color palette. Our new TerraStone and Contemporary cabinet option adds a richly colored, natural look. But the true beauty is inside the Optima spa. Silent Air injector jets create tiny bubbles of aromatherapy when you add SunScents fragrance beads. With seating for seven, a cascading AquaTerrace waterfall, and massaging jets from the reflexology foot dome, the Optima brings the Sundance spa lifestyle to your backyard.
