

An in-ground spa is perfect by the pool or by itself.

The big, beautiful Optima in-ground spa from Sundance Spas features seating for seven, including four distinct corner seats, and massaging jets from the reflexology foot dome. This large in-ground hot tub has 38 jets that deliver an impressive range of massage variations. Note that the corner seating, includes unique wrap-around ComforTone headrests to cradle your head. There is also a built-in aromatherapy system. So when everyone shows up, get out of the house, and into your own large hot tub: the Sundance Optima spa.
